5:30 Presentation

Purpose: Get all participants on same page about the project and introduce options to be discussed tonight

- **Two-minute** project purpose and team introduction *(Cory, Jamie)*
- What we heard from Workshop 1 and Survey 1 *(RM)*
- Network scenarios and street design options/ideas, participants follow along with handout *(RM)*

5:45 Small group discussions *(UDMG and consultants facilitate)*

Purpose: Understand participants' preferences and priorities for network options and street design ideas

1. Maps on each table showing network scenarios and street design options/ideas
2. **Scenarios evaluation:** Facilitator leads group through discussion of the scenarios and their pros/cons/tradeoffs. Individuals fill out their scoresheets while the facilitator takes general notes on the discussion (on maps). (30 minutes)
3. **Design options:** Facilitator leads group through discussion of the major street design options. Group can choose to spend more time on the streets/options they care most about. (30 min)
4. **Summary discussion questions:** Facilitator wraps up the discussion with summary questions. Take notes on scenarios poster. (15 min)
 - o What scenario do you like best? Why? What are the best parts about it? Would you mix-and-match any pieces?
 - o What should be avoided? Why?
 - o What design options are you most excited about? Why?
 - o Which streets should we look at closely for design options? Which would you most want to advocate for?
 - o What did we miss?
5. **Summary:** Summarize table's major points. (5 minutes)

7:05 Small group report out *(JO facilitates)*

- Facilitator or volunteer highlights their table's top 3 opportunities
- Large group discussion about tradeoffs and priorities

7:30 Adjourn *(Cory/RM reminds participants of upcoming workshop and survey)*

- **Participants place 3 dots on Decision Drivers poster**
- **Before leaving, table facilitators write a summary of their table's major points.**
